

P3SO

It is P3SO's profound creativity and work ethic over a 12 year career that has enabled him to gain recognition from such a vast number of fans. He has truly earned his place in the music industry through his unique approach to the art of DJing. His smooth transitions between hip-hop, house, electro, and other varieties appeal to the vast population of club-goers. His broad range of interests illustrates his love and appreciation for music as a holistic art. While P3SO has achieved much success, he also insists that "you gotta stay level-headed." Maintaining a strong relationship and helping everyone around him, he is always reminded to stay humble, and that it is up to each person to stay focused and be self-disciplined. "Make everyday count, chase your dreams with relentless passion." P3SO has worked with artists such as Tyga, Lil Jon, A\$AP Rocky, French Montana, Dj Mustard, Lil Uzi, Macklemore, YG and more. He has residencies in Los Angeles and Las Vegas.
